Hartley 41

Gable Façade

76 Solstice Way, White Rock QLD 4306

The Hartley 41 is a sophisticated double-storey home designed for growing families who love to entertain, relax, and enjoy flexible living. Cleverly zoned and generously proportioned, this home balances privacy with connection across multiple living areas and four spacious bedrooms.

On the lower level, a welcoming entry leads to a dedicated home office, separate leisure room, and open-plan kitchen, living and dining zone that flows seamlessly to the outdoor living area — perfect for hosting gatherings or quiet evenings at home. The kitchen is a showstopper, featuring a large island bench, walk-in pantry, and elegant finishes that blend functionality with style.

Upstairs, the luxurious master suite includes a walk-in robe and a well-appointed ensuite with double vanity and separate WC. Three additional bedrooms each have their own walk-in robe, and are connected by a central lounge — offering a second retreat for family downtime or movie nights. A large family bathroom, extra powder room, and ample storage complete the upper floor.

With a total of four living zones, a home office, and considered storage throughout, the Hartley 41 offers flexibility and flow for how families live today — and into the future.
