Rivera 24

Harvest Façade

The Rivera 24 is a home that reveals itself gradually, with each space flowing naturally into the next to create a sense of openness, warmth and quiet sophistication.

At its heart, the kitchen is more than a place to cook—it's where conversations begin, family gathers, and daily life unfolds. Framed by generous living and dining spaces and opening seamlessly onto the alfresco, it creates an inviting backdrop for everything from busy weekday mornings to long afternoons spent entertaining. With four bedrooms, two living spaces, two bathrooms plus a powder room, the Rivera 24 is designed with busy families in mind.

A carefully considered layout separates shared spaces from private retreats, allowing every member of the family to enjoy both connection and solitude. The front leisure room offers flexibility as a media room, lounge or home office, while the secluded master suite provides a welcome escape at the end of the day.

Defined by considered proportions, the Rivera 24 balances refined architectural character with everyday comfort, creating a home that feels as beautiful to live in as it is to look at.
